ACADEMIC & TECHNICAL PROJECTS

Financial Statements Analysis | Accounting Course Project

September 2024 – December 2024

- Constructed complete financial statements for a \$192,000 revenue company by analyzing 30 distinct transactions from raw data and general ledger entries.
- Applied GAAP principles to evaluate financial position and performance, identifying opportunities to improve revenue by 50% through optimized operational efficiency.
- Received perfect score for analytical accuracy and presentation quality.

Macroeconomic Review | UN Sustainable Development Goals: Southeast Asia

January 2024 – June 2024

- Applied academic theory to ASEAN and found real-world challenges and opportunities for their economy.
- Analyzed trade balance data across ASEAN nations using Bloomberg Terminal and academic databases.
- Created agenda to decrease carbon emissions and stimulate economic growth in ASEAN, projecting a 15% reduction in regional economic volatility by redirecting 30% of export-focused investment toward digital economy sectors.

Blog Website, Personal Website | hendrixzentil.github.io/journal, hendrixzentil.github.io

March 2025 – April 2025

- Learned HTML, CSS, and JavaScript skills necessary to construct responsive personal websites from scratch, including a blog website to discuss macroeconomic conditions.

LEADERSHIP

NSTEM Honor Society | Workshop Leader, Santa Ana, CA

August 2020 – June 2022

- Developed and managed project timelines and learning objectives, demonstrating organizational leadership.
- Taught 21 students Scratch and Python, leading 90% of students to create their own projects.

EXPERIENCE

In-N-Out Burger | Store Associate, Irvine, CA

September 2022 – August 2024

- Awarded "Best Customer Service for 1st period" in Southern California region, demonstrating excellence in client-facing communication and problem-solving under pressure.
- Managed financial transactions with 100% accuracy while maintaining 90 orders/hour productivity, showcasing attention to detail in fast-paced environment.
